Ductless	Mini Split Heat Pump ≥ 17 SEER & ≥ 9.5 HSPF	Up to \$450	\$1,350	Dec 31, 2022

Reach out to your BASE Solutions representative for a list of qualifying match ups!

How to take advantage:

When you purchase the qualifying product at BASE Solutions:

- A BASE Solutions counter representative will apply the eligible incentive to your invoice at the time of sale.
- To receive the incentive, you must provide the BASE Solutions counter representative with the zip code of where the product is being installed along with an AHRI # for that product.

When you install a qualifying product that you have in your existing inventory from BASE Solutions:

- Provide a copy of the homeowner invoice to Nicole Reichman nreichman@basesolutions.com
- The invoice must contain the model and serial # of the product installed, the zip code of where it was installed, and an AHRI # for that product
- Upon receipt of the homeowner invoice, BASE Solutions will provide a credit invoice to you.
